

Arrival Information

Two Fish Divers Amed

At the Airport

Before you come out into the arrivals hall you will need to go through immigration. Citizens of most countries are now eligible for a Visa On Arrival, which will be valid for 30-days (non-extendable). You can also apply in advance for a B.211 visa for tourist purposes - this gives you 60 days in the country and is extendable up to 6 months (6 x 30 days) once you are here.

You need to fill out a customs declaration also, this is now done online. You can use one of the computer terminals in the airport to do this, however it is easiest to do this in advance at <https://ecd.beacukai.go.id/>
This will generate a QR code which you then show to customs on the way through.

If you booked your transfer from the airport with Two Fish Divers: Our driver will be waiting for you and holding a sign with your name on it at Arrivals. The drive to Amed from Denpasar is about 2.5 – 3 hours, depending on traffic. If you are staying in Sanur for a night then it is about a 30-45 minute drive, again traffic dependent.

At the Resort

If you're staying with us at our partner resort, Amed Beach Resort then check in is available from 7am-10pm, please advise us if you'll be arriving later so that we can make the necessary arrangements. For your packing considerations we provide shampoo and shower gel in the rooms, and towels for the pool and boat are available. We have a beach-side bistro on site which is open for lunch and dinner.
