You can pay cash in most currencies (Rupiah, Euro, GBP, US\$, Sing \$, Au\$. RM). If you want to pay by credit card, we accept Visa or MasterCard only with extra charge of 3%. If you want to make a bank transfer please be advised that payment must be received before you leave the resort, this may take 4-5 working days.

There are no ATM's or money changers in South Gili/Sekotong, so we advise to bring Rupiah cash either from the airport or your point of arrival (Senggigi / Lembar). To give you an idea of how much to bring, meals can be purchased for between 10,000 – 80,000 Rupiah (Rp 75.000 per meal at Belongas Bay); non-alcoholic drinks between 5,000 – 20,000 and alcoholic drinks from 35,000 Rupiah upwards. There are also lots of activities that you can do after diving (hiring bikes & motorbikes, kayaking, surfing, etc), for any of these you will also need Rupiah cash.

Final payment is handled at our dive centres in Sekotong or Senggigi, alternative arrangements can be made but may incur an additional charge.

Note : the South Gili/Sekotong area is remote and at times struggles with power cuts and reduced online connection, therefore credit card payments may at times be difficult. To avoid issues with balance payments we suggest that you bring bring cash. Before arrival at the dive center you could stop at the last ATM near Lembar harbor and upon arrival at the dive center you have the option to pay straight away or deposit the cash in our safe for safe keeping. Another option is that upon arrival you pay a part of the balance by credit card and if it does not

work then you can try again over the following days and as you then have the possibility to try your credit card multiple times.
